Educational Credo

- I believe

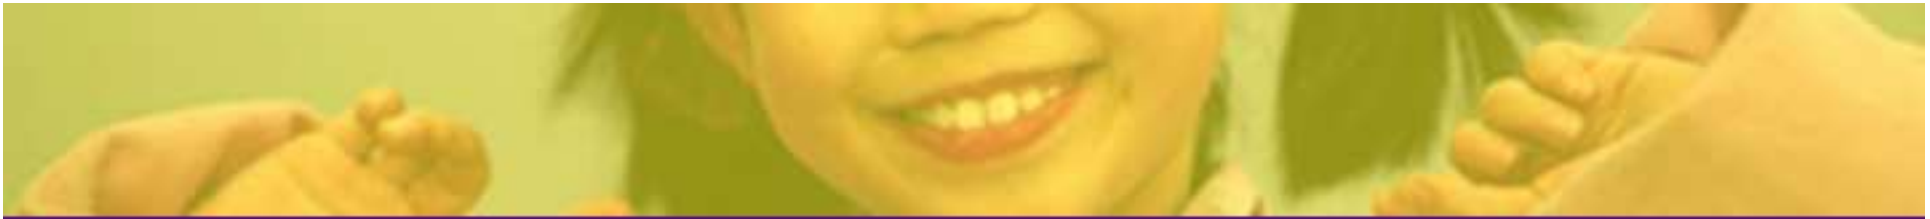

Statement of beliefs, principles, values, assumptions, attitudes, personal philosophy of education, foundation for my practice.

Vision

- I dream

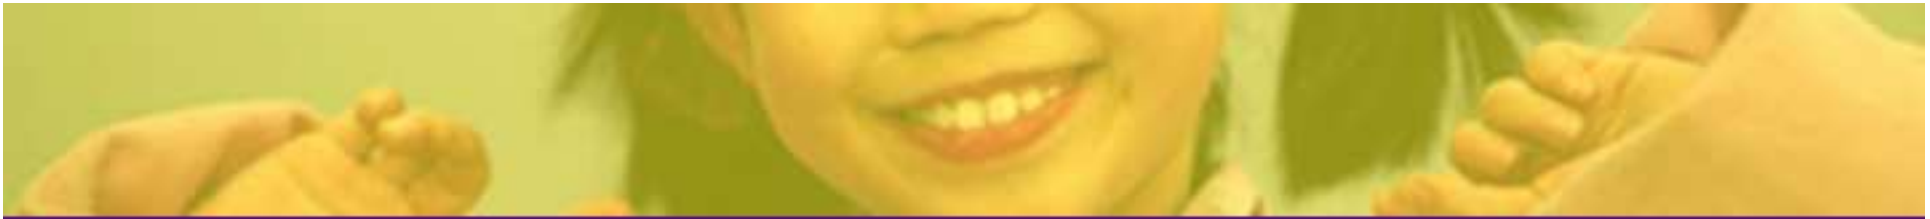

What I want, desire, wish, hope... to achieve
in the future. Directions and priorities.
How my life will look like in 5-10 years from now.

Shared Vision

- We dream

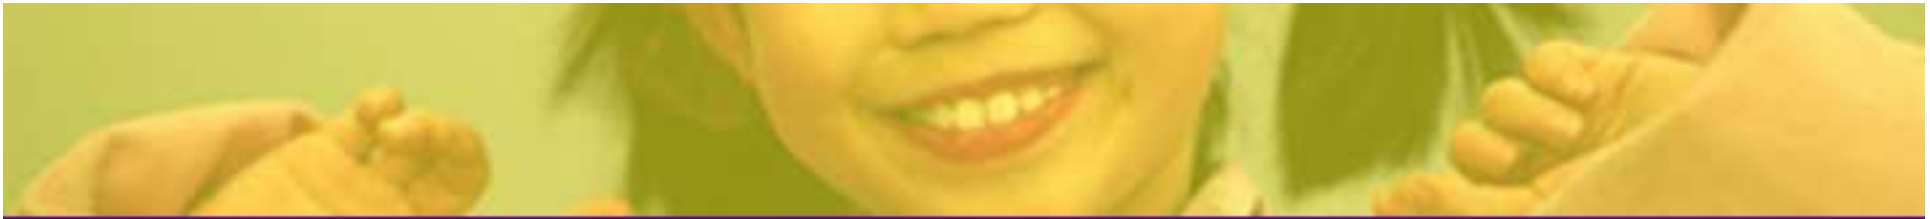

What we want, desire, wish, hope... to achieve in the future. Directions and priorities based on a set of beliefs to which our school is committed. How our school will look like in 5-10 years from now.

Shared Vision articulates

- a view

of a realistic, credible, attractive future
for the school (organization),
a condition that is better in important way
than what now exists.

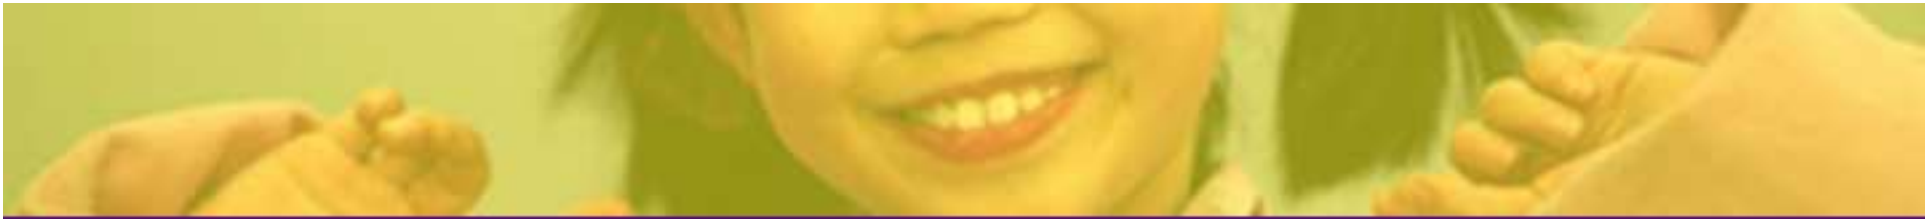

School Mission Statement

- I am (we are) committed to...

Core purpose of the school,
declaration of shared values and aspirations,
explanation of reasons why this school exists
and description of its uniqueness.

It has to be the foundation for all goals and objectives,
a point of reference for all school day to day operations.

Examples of the mission

- Slogan is not a mission statement
- Short mission statements
- Larger presentation of the school history, identity, tradition, shared values, priorities and aspirations.
